

# PAUL GABRIEL EKPEYONG

Skye bank building, university of Ibadan, • +2349165294149 • pekpeyong036@gmail.com

## RESEARCH INTERESTS

---

- Applied Macroeconomics
- Natural Resource Economics
- Applied Econometrics

## EDUCATION

---

Bachelor of Science in Economics (CGPA 6.0/7.0 (3.61/4.0) March 2020  
University of Ibadan, Ibadan, Nigeria **First Class**  
Thesis title: Joint demand for local and foreign rice in Ibadan metropolis  
Adviser: Dr Noah Olasehinde  
Top 1% of the class

## CERTIFICATION (ONLINE)

---

**Real Analysis** June 2023-July 2023

Mind Luster Educational consult

*Skills derived: real number system, sequence and series,  
Limits and continuity, integration, differentiation, Riemann integration,  
Convergence and compactness,*

**Mathematics statistics and optimization** July 2023-Aug 2023

Mind Luster Educational consult

*Skills derived: Parametric and Non-Parametric fitting, surface fitting  
Iris flower clustering with neural clustering, maglev modelling with neural  
Time series and using global search for optimization problem*

**Mathematics for machine learning: Linear Algebra** Aug 2022- Sept 2022

Imperial college London.

*Skills derived: linearity, machine learning Algorithm, machine learning,  
Algebra, computer programming and statistical programming.*

**Mathematics for machine learning: Multivariate calculus** June.2022-July 2022

Imperial college London

*Skills derived: Artificial Neural Network, Mathematical optimization,  
Probability statistics, Regression, Algorithm, calculus.*

**Differential Equation for Engineers** April.2022-May2022

Hong Kong University of science and Technology

*Skills derived: Mathematics, calculus, Differential Equation*

**Data science in real life** Feb.2022 March.2022

John Hopkins University

*Skills derived: Analysis, communication, forecasting, Experiment,  
Econometrics, General statistics, software Engineering tool, Data analysis.*

**Probability theory: Foundation for Data science** Jan. 2022- Jan 2022

University of Colorado Boulder

*Skill derived: probability distribution, General statistics, probability & statistics*

## RESEARCH EXPERIENCE

---

**Independent Researcher** Dec 2020- Current

- Explore the impact of gender pay gap on employment choice in public and private sector in Nigeria
- Analyze the dynamism of inflation in Nigeria Using the generalized Autoregressive conditional Heteroscedasticity Model
- Carry out a research on the impact of unemployment, inflation and economic growth on poverty alleviation in Nigeria with the application of Asymmetric technique
- Modelled the incorporation of cashless policy in Nigeria economy and its effect on demand for money and price determination
- Testing the relationship between financial development, Taxation and economic growth in sub-Saharan Africa with an application of pooled mean group Autoregressive distributive Lag model.

- Conduct research by modeling covid -19 impact on the macroeconomic variables in Nigeria during the advent of the pandemic
- Engage in findings on the effect of review of petroleum product prices on the rate of inflation at the removal of petroleum subsidy in late 2020
- Execute research on the effect of Exchange rate depreciation on Nigeria Economy during the period that the currency experience high rate of volatility
- Conduct research to examine the relationship between increasing inflation rate and poverty level in Nigeria with the use of AD/AS model
- An in-depth Analysis into the monopolistic advantage of the power holding company of Nigeria to proffer solution to the inefficiency in power supply.

#### **Founder**

**July 2020-Current**

*Team Best Research Institute, IBD, Nigeria*

- Organizing training on R, SPSS, STATA and SAS.
- Translated data into written report for online blogs and connecting result to analysis to actionable information.
- Managing a team to complete data analysis and economic research

#### **Public Policy Analyst (Virtual Intern)**

**June 2022-Aug 2022**

Bright Network, United Kingdom

- Evaluate policy responses and policy issues
- Develop background study on monetary and fiscal policies and analyze trade trends.
- Compiled source of economic information and makethem available online

#### **Volunteered Research Assistant**

**Jan.2022 – Dec 2022**

Samuel Adegboyega University

- Offer an assistant by reviewing the past related literature on gender pay gap in Nigeria in a bid to be in sync with the methodological overview of the study and to choose the right methodology for the study

Global Econometric clinic

**Jan. 2021- Dec. 2021**

- Offer an assistant in reviewing the historical account of the Sino- Africa Economic relation/ties, a critical look into the three channels of relation between China and Nigeria, reviewing the literatures and discovery of gaps.

#### **Graduate Research consultant**

**April.2019-Dec.2020**

University of Ibadan

- Collaborated with a fellow graduate student to produce a research paper on the effect of Foreign Direct investment on Economic growth in sub-Saharan Africa with 15 selected African countries.
- Offer the analytical techniques best suited to be employed in an undergraduate thesis titled “insecurity, financial security and inflation in Nigeria: The lifecycle consumption hypothesis perspective.
- Offer a research assistant for an undergraduate student to conduct the empirical analysis of a paper titled “Effect of foreign direct investment on Economic growth in Nigeria

#### **CONFERNCES ATTENDED**

- 
- The Nigeria Economic Summit Group conference on “*The growth, Poverty, and inequality Relationship in Africa (GPIR) Collaborative Research project 2023*”
  - 14<sup>th</sup> Transatlantic workshop on the Economics of crime/CJARS Training workshop
  - Presentation of poster in three days international webinar on “*effective of monetary and fiscal policy on recession*” 2020.
  - Presentation of poster in two days conference on ‘Impact of insecurity on agricultural productivity in Nigeria’ 2021.
  - Actively participated in World Bank Youth Summit Delegate in Washington D, C, USA representing Nigeria on the theme “*Unlocking the power on inclusion for economic growth*” 2022.
  - Presentation poster on “*Employability Skills for Economist*” on two days webinar by Nigeria Economics Students Association” 2022.
  - Actively participated in education training on learning trajectories for education policy analysis organized by Centre for Study for Economies of Africa (CSEA) in collaboration with Research on improving educational system(RISE), University of Oxford and Blavantnik School of Government.

- Actively participated in webinar on “Is Africa Doing Enough to Strengthen Data Governance organized by Centre for Study for Economies of Africa” 2022.
- Poster presentation on “Data Governance in Africa: Pathways for strengthening confidence in the digital economy strategies” 2022.

## **WORK AND TEACHING EXPERIENCE**

### **Cambridge A-Level Lecturer**

**Sept 2022- current**

Life-forte international college

- Guided student on the fundamental and rudiment of economic analysis and application for Cambridge advance level international exam

### **Course Instructor**

**Jan 2019- Dec 2019**

Economics Department, University of Ibadan

- Explain the introductory concept of Econometrics for the penultimate student during my undergraduate program
- Assume the instructor position for a targeted discussion in a group of freshmen on the concept of microeconomic theory
- Explain the basics of calculus and Algebra in mathematical Economics for freshmen during undergraduate days

### **Undergraduate Mentor**

**Jan 2018- Dec 2020**

University of Ibadan

- Mentored few undergraduate students in different method of data collection and analysis to visualize their various problem statement in their undergraduate thesis
- Guided the students in preparation and presentation of research finding
- Mentored the students on the usage of some analytical tools like STATA and EViews

## **PROFESSIONAL AFFILIATION**

- Student Member- Nigeria Economics Society
- Member-Young Economist Network (YEN)
- Member- Nigeria Economics Students Association (NESA)

## **SKILLS HIGHLIGHTS**

- Proficient in Microsoft Office Suite (Word, Excel, and PowerPoint).
- Ability to adapt to new procedures under stressful conditions.
- Software: E-views, STATA, SPSS, Data Science with a rudimentary knowledge in Tableau, and Power BI.
- Commitment to intellectual rigor and observance of compliance and data privacy control

## **LEADERSHIP AND EXTRACURRICULAR ACTIVITIES**

- President, FOIV, community development service, NYSC Sokoto state Nigeria
- Participant for educational sensitization for SSCE in Sokoto state
- Budget chairman, student union election, university of Ibadan

## **AWARDS AND RECOGNITION**

- University senate honor for First class graduate in university of Ibadan, Oyo state, Nigeria
- Departmental honor for the second overall best Economics graduate for 2018/2019 session
- Award for the second-best student in NDIC (National deposit insurance corporation) by NDIC official
- Award for the best presentation for business entrepreneurship challenge by unity bank in Nigeria
- Award for the second-best student in monetary Economics
- Certificate presentation for participant in the world bank youth summit on “unlocking the power of inclusion”
